Dear Friend:

The Mint is now taking orders for "United States Special Mint Sets" dated 1966. These sets will contain one each of the half-dollar, the quarter, the dime, the nickel, and the cent, and will be similar in quality to the 1965 Special Mint Sets. They will be packaged in precast plastic containers, similar in appearance to the black and white photograph appearing on the reverse of this card, but the background will be royal blue with silver letters and design. As the orders are accepted, the United States Assay Office at San Francisco will send acknowledgements. It may be several months before your order can be filled. The Special Mint Sets will be sent to you by first class registered mail. All correspondence regarding your order should be directed to the Officer in charge, United States Assay Office, Numismatic Service, 350 Duboce Avenue, San Francisco, California 94102.
